Some Facts about TruckClaws

- Can get your truck out of Snow, Ice, Mud & Sand.
- Can be installed in about 60 seconds per tire
- Can be installed AFTER you are stuck
- Can be installed over Tire Chains
- Saves our customers money on expensive tows
- Saves people from life threatening situations
- Does not require a tree or rock nearby like a winch
- Wide Applications & Uses like Tractors, ATV, Side by Sides

Priceless the Moment You Need Them!
